## CAPABILITY STATEMENT

Kenall established in 2002, is a registered SBA woman-owned, DBE, and HUB-Zone certified firm headquartered in Houston, TX with operations in New Orleans, LA and San Antonio, TX. We are a multidisciplinary consulting engineering firm with a qualified staff of professional engineers, architects, geologists, environmental specialists, QA/QC managers, GIS/CADD specialists, construction inspectors, field technicians, and administrative personnel working as combined team to offer our clients the finest service available. Our key leadership has a combined experience of over 150 years in engineering and architectural services. Providing highest quality services with integrity and efficiency has guided the firm through its growth. Of highest concern to Kenall is the accurate and timely performance on all projects in full compliance with our QC program through proper communication, prompt response, and report turnaround with economic efficiency.

## CORE COMPETENCIES

- CIVIL AND STRUCTURAL ENGINEERING
- ARCHITECTURAL SERVICES
- GEOTECHNICAL ENGINEERING
- STORMWATER AND FLOODPLAIN MGMT.
- ENVIRONMENTAL ENGINEERING
- PROJECT/ PROGRAM MANAGEMENT
